

## **Choice Logistics Appoints Operations Director**

Logistics Insight Asia - Industry News, 16/2/2009

Choice Logistics has announced the appointment of Rob van Doorn as director for operations in Europe, the Middle East and Africa (EMEA), and Asia Pacific (APAC).

Based in the Netherlands, he will be responsible for daily operations and vendor management for the company's partner network.

"Choice Logistics is an emerging company on the international scene, and has made significant headway to solidify its global presence in recent years," said van Doorn. "I look forward to playing an integral role in ensuring that our customers have consistent service delivery from Choice, regardless of regional or cultural challenges".
